

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 1714 - HB 1670

February 5, 2014

SUMMARY OF BILL: Authorizes local governments to distribute and receive invitations to bid (ITBs), requests for proposals (RFPs), and other solicitations electronically and to post such solicitations to the local government's Internet web site. Prohibits state agencies and local governments from requiring small businesses and minority-owned businesses to participate in such activities electronically.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- According to County Technical Assistance Service (CTAS), the proposed legislation corrects an error made in the 2013 Public Chapter 403 which inadvertently deleted this provision for local governments. No fiscal impact is estimated as a result of correcting this error.
- Prohibiting state and local governments from requiring small and minority-owned businesses to participate electronically will not fiscally impact governments.
